

# BOYS & GIRLS CLUB OF WESTMINSTER

ANNUAL  
REPORT | 2021

# Dear BGCW Family and Friends,

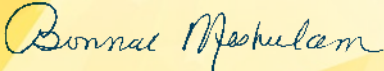

Greetings! As we reflect on the past year, we are immensely grateful for the support our community continues to show the young people we serve.

Our approach to youth development is to meet each child where they are in life and provide them with the supports they need to realize their full potential. During the pandemic, as our kids' needs evolved so did our programs and services. Things have been tough for our kids. At a time in which they have needed the Club more than ever, you made it possible.

It is because of your support that we have embarked on a path to grow our impact. In addition to our Westminster Club on Main Street, we now have very lively, energetic clubs in the communities of Hampstead, Taneytown and Sykesville — with more to come!

Because of YOUR support, our Boys & Girls Clubs will continue to ignite the unlimited potential of kids and teens. Changing Lives is what we do! Thanks for continuing to invest in the youth who need us most!

Warmest regards,

Bonnae J. Meshulam  
CEO & President  
Boys & Girls Club of Westminster

Josh Bokee  
2021 Chair, Board of Directors  
Boys & Girls Club of Westminster

*Bonnae Meshulam  
and Club members*

## 2021 Youth of the Year

**Dillon Hereth** embodies every quality that we look for in a Youth of the Year. Dillon is an exemplary young man who has shown extensive leadership at the club, serving as a Leader in Training, Junior Staff member and the Captain of the Club's first Robotics Team. In addition, Dillon earned his Eagle Scout badge through a project he organized at the Club where he built mobile Lego tables from wood salvaged during the building's renovation. Dillon is also a talented artist and is credited with creating the art designs in the Club's *Knorr Brake STEaM Maker Space* and the artwork on our Christmas ornament. Dillon will receive the Ross Albers Youth of the Year Scholarship in the amount of \$500.

# HIGHLIGHTS

## Leadership

Boys & Girls Club of Westminster offers a variety of programs designed to develop leadership skills and equip our youth with the passion to make a difference in the world around them.

*Our Leaders in Training and Junior Staff programs address the specific needs of our teen members. We immerse them in a 10-week leadership bootcamp that builds resilience, self-efficacy and maturity. They are inspired to become leaders and equipped to make positive choices. Their motto is **"Dream Big, Take Action, Be Relentless!"***

*As part of our SMART Moves program, our teens worked with rapper B-RAiN to create a documentary and original song about the challenges of adolescence and their commitment to make positive choices.*

[vimeo.com/537050939](https://vimeo.com/537050939)

*Working in conjunction with Carroll County Public Schools we hosted a Sources of Strength (SOS) training for members, parents and staff. SOS is a national suicide prevention program that focuses on identifying and utilizing the eight areas of strength to deal with challenges.*

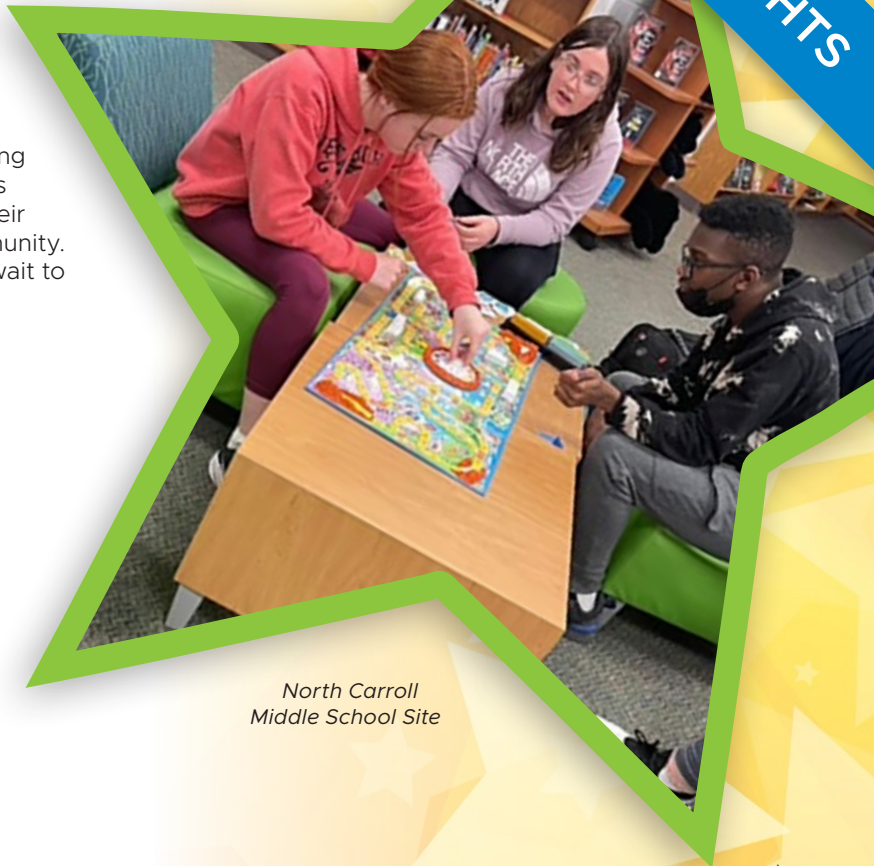

*Each year, we are thrilled to help our graduating seniors fulfill their dreams. In 2021 Brandon Scheper earned the Toyota Making Life Easier scholarship which helped him enroll in an HVAC trade school. Felicia Watts earned the Toyota Making Life Easier scholarship plus the W&P Scholarship which is awarded by BGCW to a senior that demonstrates hard work and perseverance. Felicia is currently attending Carroll Community College for nursing.*

# Expansion

Our growth is exciting. In addition to our increasing membership at the Westminster location, we also reopened our middle school sites at North Carroll, Northwest and Sykesville middle schools. Our middle school clubs meet twice a week, serving 50 youth at each location and have yielded tremendous success by reengaging youth after 18 months of challenges. Youth and their parents report that club participation has helped them to expand their social skills, embrace teambuilding and engage in the community. This is leadership development in its truest form. We can't wait to see what the future holds for these emerging leaders!

HIGHLIGHTS

North Carroll  
Middle School Site

## The brightest stars are the ones that shine for the benefit of others.

Drs. Chitrachedu and Vimala Naganna are our bright stars! Their passion for helping youth to be successful has driven them to invest in the future of our community and the children and families at the Boys & Girls Club of Westminster.

The Nagannas believe that education is the key to a successful, happy, fulfilled life and that no child should be denied the opportunity to follow their dreams through education. The investment made by the Naganna's at the Boys & Girls Club is a testament to that belief. The Naganna Sports Complex is an integral part of our mission, providing many opportunities for our youth to grow and thrive.

We are forever grateful for their generosity and look forward to many years of sharing the joy and positive impact their gift has brought to the Club and our community's youth.

# These stars shine every day for our kids

## BOARD MEMBERS

**Joshua Bokee – Chairman**

Director, Government & Regulatory Affairs – Beltway Region, Comcast
