

**BOYS & GIRLS CLUBS
OF CARROLL COUNTY**

ANNUAL REPORT | 2023

Dear Boys & Girls Club Family and Friends,

As we turn the page on a new chapter this year, we are reminded of the tremendous changes we've navigated and the growth we've achieved together" Our goals are still true to this day – we are Leading with Purpose and Growing Leaders.

- We announced the Boys & Girls Club of Westminster name change to Boys & Girls Clubs of Carroll County to accurately reflect our growing service area and expanded to an additional community impact site in Mt. Airy.
- We renovated 16,000 sq ft for our second flagship location in Hampstead at old North Carroll High School. We are thankful for the numerous contributions and volunteers that made this possible.
- We announced the launch of the Kahlert Leadership Academy made possible by a generous gift from the Kahlert Foundation that will engage middle and high youth throughout the county.
- We grew our team by adding a full time licensed social worker.
- We grew our annual membership to over 722. This upcoming year we will target 1,000.

Best,

Sean Davis

President & CEO, Boys & Girls Clubs of Carroll County

“Our goal is to continue to expand our services and programs throughout Carroll County. We want to reach as many kids as we can in our community.”

722 Total Youth Served

33 Programs

56 Mental Health Champions/Mentors

810 Adult Volunteers

9 Director Staff

32 Teen Leaders

303 Summer Camp Enrollment

5 Club Sites

89% of youth say they developed leadership, teamwork & integrity at the Club

IN THE SPOTLIGHT

2023 Maryland Youth of the Year

We are proud to recognize **Jailen Lemon** as the 2023 Maryland Youth of the Year and our Club's 3rd State winner! Jailen has been a long-time member of Boys & Girls Clubs of Carroll County serving as a leader and mentor. She engages in activities that promote wellness, leadership, and empowerment. As an advocate for the importance of mental health, Jailen has used her platform as Maryland Youth of the Year to bring attention to the youth mental health crisis. Jailen has been featured on Fox 45 news with Patrice Sanders, was interviewed on 11 TV Hill with Jason Newton, and most recently traveled to Annapolis to meet with Lieutenant Governor Aruna Miller.

Jailen has been a Club member since she was 5 years old. She says that the Club taught her valuable lessons about being a good leader. As a Youth Ambassador, she talks to youth about how they can use positive coping strategies to support their mental health. She tells kids that **IT IS OKAY NOT TO BE OKAY EVERYDAY**, and it is okay to ask for help! As Maryland Youth of the Year, Jailen received the Rebecca Ross Albers Youth of the Year Scholarship for \$2000, scholarships from Boys & Girls Clubs of America in the amount of \$5500 and the Sparkle Scholarship which awards her \$3,200 per year to use for extracurricular activities.

SMART Girls – Tea Anyone?

This year our SMART Girls group participated in a Tea Party hosted by the GFWC Women's Club of Westminster at the Tevis Residence. They learned how to prepare tea, eat with fine China, and sample different foods. All the kids got a fascinator hat and pearl necklace with an inspirational message. It was great fun and gave the kids a chance to learn etiquette skills and practice polite conversational.

Kahlert Foundation helps youth FOCUS on their Future!

Thanks to the generous support from The Kahlert Foundation, we're excited to announce the launch of **The KAHLERT LEADERSHIP ACADEMY** in the summer of 2024 at our brand-new North Carroll Clubhouse in Hampstead. This addition will enhance our existing workforce development program, giving young people the chance to keep growing year after year. By blending leadership and workforce skills, middle and high school students will explore career options, discover their strengths, and develop important skills like emotional intelligence and personal growth. Through hands-on experiences in real-world settings, they'll gain valuable skills and insights to help them succeed in the future. Our workforce readiness program already serves youth from across Carroll County year-round at our five after-school program sites.

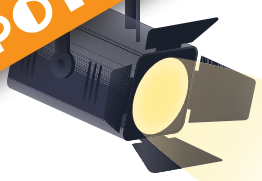

Plus, this year, our kids kept diving into certification and credit courses at Carroll Community College. And guess what? They even got to play around with drone simulation software to practice flying drones before they got their hands on the real ones at the college.

We Have a Mascot

Introducing Bobdog, the newest addition to our club! Keep an eye out for him as he joins us for activities and spreads his charm throughout Carroll County!

IN THE SPOTLIGHT

Academic Success: POWER HOUR

Our Power Hour program offers invaluable support to kids by providing a friendly and structured environment for homework assistance and academic enrichment. This program not only helps children with their studies but also encourages them to develop important skills like organization and self-discipline. Tutors from McDaniel and Carroll Community College help kids develop a positive attitude towards learning and make learning fun! This program plays a key role in helping our children succeed academically and feel more confident in their abilities. It's a fantastic resource that helps kids thrive both in and out of the classroom.

#BuildingFuture Leaders

Summer Camp: Where Unforgettable Memories are Made!

Summer Camp at BGCCC is an action-packed adventure for kids, serving 284 unique kids alongside 25 Leaders in Training and 8 Junior Leaders. From thrilling Water Days to a vibrant Color Bash and immersive weekly activities, every day is filled with excitement and learning. Field trips add an extra layer of fun, allowing campers to explore new places and experiences. Plus, our new teen golf clinic provides opportunities for young leaders to develop life skills like networking, etiquette, and integrity! With so many activities and opportunities for growth, Summer Camp at BGCCC is truly unforgettable!

Culture Club: There's a Big World Out There!

Our Culture Club program helps kids explore the world beyond their own backyard. By diving into different cultures through activities, food and languages, the program opens their eyes to new perspectives and ways of life. It's like taking a mini trip around the globe without leaving Carroll County! Through this experience, kids learn to understand and appreciate people from all walks of life, building empathy and curiosity along the way. So, while they're having fun, they're also expanding their horizons and becoming more open-minded global citizens. This club is so popular that we have now expanded to add a **Bird Club**, where kids have fun learning about birds, going on adventures, and exploring the fascinating world of our feathered friends!

Felicia

We proudly say “we grow our own” when talking about our graduates. It means that we’ve been there for them since day one, supporting them as they’ve grown up and graduated. Whether they’re heading off to college or starting their careers, they carry with them the lessons and values they’ve learned at the Club. Felicia is proof that with the right support and guidance, amazing things can happen. Felicia graduated in 2021 but was unsure about the direction she wanted to take. After trying college and a few different jobs, Felicia came to the Club for advice. We connected her with the workforce certification program at Carroll Community College and are proud to announce that she just completed the Phlebotomy program and will be taking her certification exam next month! In addition, Felicia also supports BGCCC as a mentor at our North Carroll Middle School site. We are thrilled that we got to be part of her journey.
